Hello Sir,

I am Barrister Peter Freeman, A personal attorney to a deceased client of mine, who deposited the sum of $ 5.3 Million with a bank here in Togo West Africa. He died as a result of heart-related condition, His heart condition was due to the death of his wife and only son involved in the covid-19 effect, which took my client's family away.

Without any registered next of kin, I contacted you because you have the same surname as my late client. And the funds now have an open beneficiary mandate.

Upon your response will give you the details.

Thank You.

Barrister Peter Freeman
